As Minister of Canadian Heritage, and the Minister responsible for Multiculturalism, I am honoured to offer my best wishes to *South Asian Outlook* on their 15th Anniversary.

For the past 15 years, *South Asian Outlook* has provided news and opinions from South Asia and Canada, connecting readers in Canada's South Asian community and around the world through its monthly e-publication.

As Canadians, we believe we are strong because of our diversity, not in spite of it. By highlighting Canada's South Asian community, *South Asian Outlook* has contributed to the strengthening of Canada's vibrant and diverse culture.

I congratulate the publishers, writers, contributors, and all those who have helped to make *South Asian Outlook* a success for the past 15 years and wish them all the best for the next 15 years.

Congratulations!
