Leader of the Liberal Party of Canada
Chef du Parti libéral du Canada

July 1st, 2014

Dear Friends,

It is with great pleasure that I congratulate the *South Asian Outlook* on their tenth anniversary, and fourteenth year of regular publication.

In a short period of time, the *South Asian Outlook*, an independent e-newspaper that was launched on this date in 2001, has quickly become one of Canada's largest South Asian publications found in the homes and offices of Canadians around the country. Through quality and engaging journalism, the *South Asian Outlook* presents a wide range of local, national and international news coverage, which works to connect our South Asian communities with all Canadians.

I would like to thank the *South Asian Outlook* for all of the work they have done to positively support our communities, by ensuring that many Canadians can see their culture reflected in the media, and follow the events that impact them. Their monthly periodical, which is available to all Canadians free of charge, helps build relationships between people of various backgrounds, which ultimately brings us closer together as Canadians.

On this special Canada Day issue, I would like to congratulate the *South Asian Outlook* for their many accomplishments since its establishment, and wish everyone a Happy Canada Day!

Sincerely,

Justin P.J. Trudeau
