

LEGISLATIVE ASSEMBLY
ALBERTA

July 2014

On behalf of the Government of Alberta I would like to extend my warmest congratulations to the staff and readers of *South Asian Outlook* for entering its 15th year of publication. In the ever changing world of e-media, it is remarkable that *South Asian Outlook* has lasted 14 years and has done so while adhering to its original goal; to report on news and information that directly impacts South Asians across the world. I would also like to extend my best wishes to all those observing the Independence of India and Pakistan.

For the last 14 years, *South Asian Outlook* has been integral in promoting a positive image of South Asians in the fabric of Canadian society and has emphasized the unique heritage of South Asian culture.

I am proud to see *South Asian Outlook* begin its 15th year of publication. By promoting politics, business, arts, and the traditions of South Asia, *South Asian Outlook* has given a voice to our community and has enriched society's understanding of South Asian Culture. As a province, and a country, we pride ourselves on the promotion of free speech and diversity, and *South Asian Outlook* has held true to that tenet.

On behalf of the Government of Alberta, I wish everyone celebrating Canada Day, the Independence of India and Pakistan and the contributions of *South Asian Outlook* over the last 14 years, prosperity and continued health.

Sincerely,
