South Asian Outlook's 15th Year of Publication

I extend warm congratulations to *South Asian Outlook* as it enters its 15th year of publication.

This monthly e-publication is a wonderful way for the South Asian community in Ontario and around the world to share news and stay connected. I commend everyone at *South Asian Outlook* for their efforts to provide a way for the South Asian community to stay in touch with their roots while building their lives here in Ontario.

We are fortunate to have a strong and vibrant South Asian community that enriches virtually every aspect of our lives here in Ontario. I am proud of our diverse and multicultural society where everyone has the opportunity to contribute to our social, cultural and economic prosperity.

Congratulations once again on this significant milestone. Please accept my best wishes for your future success.

Sincerely,
