Dear staff & readers of *South Asian Outlook*,

As the first Canadian Senator of Pakistani origin, I am proud of initiatives that represent the South Asian perspective. In Canada, our strength is in our diversity. Media like *South Asian Outlook* benefit not only South Asian Canadians, but Canadians of all backgrounds.

With more than 20 million people of South Asian origin around the world, and rapid economic growth, we, as Canadians, recognize the importance of South Asia as a rising global power. I commend *South Asian Outlook* for being a voice for South Asia, celebrating the achievements of South Asians, and providing a forum for South Asians in Canada and abroad.

My sincere congratulations to *South Asian Outlook*, and to *Globalom Media*, on your 15th anniversary. Please accept my warmest greetings and wishes for your continued success. Happy Canada Day!

Sincerely,

A handwritten signature in blue ink that reads "Salma Ataullahjan".
